Digital Radio in your Car on your Smartphone

SMARTDAB

digitalradio  Approved Product

DAB DAB+

The AutoDAB Smart connects to your smartphone to give Digital Radio through AUX. It is a plug and play solution that you can fit yourself in minutes.

The station logo, name, song and artist information is displayed on your phone.

Digital music is played through your car stereo system via the 3.5 mm jack.

Slide-show images are also displayed if transmitted by the radio station.

HIGHLIGHTS

- Listen to DAB Digital Radio through your existing radio
- Works with any vehicle with a 3.5mm Aux-in
- Controlled via the free AutoDAB Smart App for simple station navigation.
- App includes option to save favourite stations for quick selection
- USB port for device charging
- Supplied with a DAB amplified glass mount antenna
- Easy to install, plug and play digital radio solution
- The SmartDAB connects via Bluetooth to control the DAB adapter
