

RJ45 PASS-THROUGH ADAPTORS

GME IS EXCITED TO INTRODUCE OUR LATEST RANGE OF ACCESSORIES TO COMPLEMENT OUR REVOLUTIONARY XRS™ CONNECT UHF CB RADIOS.

The XRS-RJ45 pass-through adaptor allows for a XRS™ Connect controller microphone fitted with an RJ45 connector to be integrated directly into a range of blank OEM switch locations, providing a neat and professional finish.

Our range suits a variety of the most popular 4WD vehicles available from Toyota, Nissan and Isuzu. The adaptors are available with either a white or red LED back lighting option. Manufactured using a CAT.6 compliant, fully shielded housing with internal supports for an extremely stable connection ensuring trouble free communication.

Along with our XRS™ Connect range of UHF CB radios, our XRS-RJ45 pass-through adaptors are proudly Australian made and suited to a wide range of the most popular off-road vehicles found on the Australian market.
